

REFERENCE FEE SCHEDULE

Effective June 1, 2003 the following fee schedule takes into consideration both the time of researching a given request, the cost of photocopying materials, and postage and handling. Due to budget constraints and staff reductions, fees have been deemed necessary to continue providing valuable reference services

The State Archives reserves the right to not perform research for certain requests that cannot be completed in a reasonable amount of time.

Unless otherwise notified, a minimum \$15 research fee is applied to all research requests. If a research item or topic is not listed, the researcher may need to visit the archives in person or hire a local researcher-for-hire.

ALL ORDERS MUST BE PREPAID by check, money order or credit card. Please mail check or money orders to PO Box 30737, Lansing, MI 48909; you may call (517) 373-1414 to give credit card information. Orders can be taken by phone Monday through Friday, 10:00am – 4:00pm except state holidays.
